

UNITED WAY OF GREATER NEW HAVEN

United Way of Greater New Haven works to ensure all children are nurtured, all families are thriving, and all community members have opportunities to reach their full potential. Serving 12 communities across greater New Haven, we activate community resources, knowledge, and partnerships to drive lasting change.

We support ALICE households and advance long-term economic opportunity through direct services, strategic grantmaking, advocacy, and collective impact. As the backbone of multiple coalitions, we take a collaborative approach to tackling systemic challenges to promote healthy food and stable housing; ensure children grow, learn, and thrive; and build lasting financial security for our neighbors. We are committed to building a stronger future where solutions reach people who too often are left out.
