PARTNER WITH UNITED WAY FOR GREATER NEW HAVEN'S FOURTH ANNUAL TRIKE RACE TO HELP FAMILIES STRUGGLING WITH FOOD INSECURITY.

On May 13th, teams of adults riding child-size tricycles will compete in a fun-filled relay race! Riders, fans, business leaders and local celebrities will come together at Southern Connecticut State University in New Haven to show their support for the teams and for United Way's work to end hunger. Sponsorship reserves your team's spot in the race. Together, we can ensure that families in our region have enough to eat and can move from surviving to thriving!
