OPPORTUNITIES IN PARTNERSHIP

Below is a list of partner benefits available to grantees of United Way of Greater New Haven designed to strengthen your impact and support your initiatives. These offerings are provided as added value and are not requirements unless explicitly stated elsewhere in your agreement. You are welcome to take advantage of any that align with your goals and capacity.

Interested in one or more of the below? Contact your grant lead to get connected!

1. **Available Funding Opportunities**

   United Way of Greater New Haven offers multiple funding opportunities throughout the year to support organizations invested in and engaged with the Greater New Haven community. These processes are designed to address critical needs across economic mobility and education. Upcoming funding announcements are made through our Community Impact (CI) Bulletin. Stay in the know with all appropriate agency contacts on the list.

2. **Join a Collaborative**

   United Way of Greater New Haven convenes multiple collaboratives aimed at strengthening our nonprofit community including: Coordinated Food Assistance Network, the Greater New Haven Workforce Collaborative, South Central Partners Workforce Collaborative, youth collaboratives and more. Join, align, and contribute your expertise!

3. **Advocate**

   Join United Way of Greater New Haven's ALICE in Action Initiative that supports ALICE households in Greater New Haven. Sign-up for our newsletter to receive timely legislative updates, action alerts, and opportunities to participate in advocacy efforts that advance policies supporting ALICE households.

4. **Volunteer**

   Take part in one of our volunteer activities, or talk with us about your organization's volunteer needs!

5. **Access to Community Conference Room**

   Free access to United Way of Greater New Haven's Community Conference room and meeting space with presentation and virtual capacity. Reserve a date/time as it works for you!

6. **Spark Sessions**

   Join our Spark Sessions: monthly knowledge-sharing conversations that are shaped by the questions and requests of our partners to foster learning and collaboration. Session announcements via our CI Bulletin.

7. **30|30 Experience**

   Invite your team, board, and supporters to build their understanding and empathy of what it's like to be an A.L.I.C.E. household struggling to meet basic needs through a **90-minute interactive virtual experience**. Learn more on our website.
